

Welcome to

The Pancake and Christmas House

And Specialty Shops!

OPEN FOR DINNER Tuesday through Saturday until 9 p.m.

The Pancake House continues to evolve into a one-stop dining and specialty shopping experience with the addition of three businesses and an expanded Christmas House.

There is no need to worry - The Pancake House continues the long-standing tradition of offering huge portions of an ever-expanding menu and the same exceptional customer service that brings people back year after year and pleasantly surprises newcomers. We enjoy the distinction of being McCall's oldest restaurant with the same name and also being one of McCall's premiere dining establishments.

What started as the Pinecrest in 1949, offering drive-up service, evolved into the Pancake House, featuring homemade jams and jellies, and blossomed into a full breakfast, lunch and dinner menu with homemade breads and mammoth-sized cinnamon rolls.

Like most of us, The Pancake House was born from humble beginnings. After outgrowing an extensively remodeled old house, a new custom 11,000 sq. ft. building was constructed by George Bertram and good friends and local craftsmen Bill Rice, Scott Keithley and John Clark. The doors opened on April 1, 2002 a mere 8 months to the day from breaking ground. The beautiful lodge-like facility can accommodate large parties or you can enjoy an intimate meal in one of many private booths. Visitors can't say enough about the ambiance that results from prominently displayed food-related antiques that have been acquired over a 40-year period.

The Christmas House was initially located inside the main entrance of the new building. In 2007 it was packed up and sent to storage while a new space, adding an additional 5,000 sq. ft. of shopping was constructed adjacent to the dining room. It reopened in a new, custom-built space off the east end of the dining room in October of the same year.

The same great merchandise is still available to customers (many of whom travel from far and wide to purchase our items) as well as many new lines, only possible with more space. We offer everything from ornaments for virtually every occasion to select highly-collectable decorations and accessories.

We carry complete lines of everything you need to deck your halls in a truly unique and spectacular way. Our displays change from moment to moment as we continually add new inventory each day throughout the year.

While the main focus of **The Christmas House** is to bring Christmas to our customers every day of the year, our expansion has enabled us to offer an enhanced home décor and gift line including a variety of inspirational gifts.

Auggie's Sheepskin Leather Goods and Gifts opened next to

the Christmas House in December of 2007. Owners, Auggie and Kathy offer the best of *Australian Sheepskin* products. Auggie invites you to visit their quaint, one-of-a-kind shop and discover the many remarkable properties of Genuine Sheepskin.

Santa's Sweet Shoppe

has returned after being on hiatus for the last 2 ½ years! Owner, Cori Rice took a break to spend time with her new baby and is thrilled to be back!

Come in and revisit the exhibition-style bakery off the main entrance and watch homemade pies, cookies, & specialty desserts being made. Cori has brought back the old favorites and introduced several new items like gourmet cupcakes and homemade fortune cookies!

Take home fresh-baked items daily or order a one-of-a-kind theme cake for your special event. Assorted **Santa's Sweet Shoppe** treats are always welcome at any get-together!

Sit and enjoy a sweet treat & espresso drink from their NEW exclusive espresso bean then stroll through the recently relocated **Heirloom Attic** and find that perfect vintage treasure to complete your collection!

The 'attic' side of the shop is filled to the brim with antique & collectible treasures and beautiful locally hand-crafted home décor items you won't want to miss!

Cori doesn't believe an item has to be extremely old or expensive to be worthy of passing along to your loved ones - so in keeping with that idea she takes special care when assembling quality items that you would love to give - or receive! Every budget is considered when hand selecting items for the shop.

Cori is **always buying** so call (208) 634-3363 or email her at cori@mccallantiques.com with a description of what you have to sell or to schedule a viewing.

Estate buyout and household liquidation services also available!
